

CLOSING FOR TUESDAY April 23rd^h, 2019

As Denis Waitley wisely said, "Never become so much of an expert that you stop gaining expertise. View life as a continuous learning experience."

Waitley's statement could have originated in Group. Our gathering on Tuesday is akin to a classroom. We leave after a lesson on learning to live with cancer. Enrollment fees for this school are costly, but the lessons are valuable.

Learning with you,

Bill
